

# GYNECOLOGIC CANCER INTERGROUP (GCIG)

## MEMBERSHIP COMMITTEE

### NOVEMBER 2013, LONDON, UK

## REPORT

### MEMBERSHIP ISSUES

- Revised Application Form: This has been reviewed and approved by the Membership Committee
- Expecting applications from MDAnderson (Ramirez), Tesaro (Industry) and Singapore.
- Full members: reviews due 2014
- Provisional Members reviews:
  - PMHC --- review due in 2014
  - NOGGO – review due in 2015
- Gov't/National Authorities:
  - NCI US --- This entity has been absolved of membership dues since the inception of GCIG as they have always provided service in lieu of dues. They are no longer providing support for the venue of the Spring Meeting. However, they are providing full support to for the webmaster. It is the recommendation of the Membership Committee that this is sufficient to warrant continued waiving of annual dues.
- Industry Partners [Amgen, AstraZeneca, Boehringer-Ingelheim, EliLilly, JnJ(Ortho-Bio), GlaxoSmithKlein, Pharmamar, Roche, TAIHO, ZERIA, Nucletron]
  - Meeting scheduled Nov. 17/13 [to follow up on prior meetings, (Memb., Exec.Officers, Industry)
  - Proposed topics include: **A, B, C ???**

## MENTORSHIP GUIDELINES:

Responses from Mentors and Mentees received support the continuation of the mentorship program.

Mentors' updates:

M.Quinn - Israel  
G.Stuart - Chile  
A.Poveda - Brazil, Cuba  
Oza -- India  
Others --

## OTHER BUSINESS:

Harmonization representation: missing at May 2013: ACRIN, ANZGOG, DGOG, MaNGO, RTOG (ie: compulsory at Nov. 2013 – to be reviewed)

Guests, Observers, Interested parties: Tesaro (Dr Martell) observer for Industry application; Dr Tan observer for Singapore group application.

US groups mergers – It has been noted that the NRG is a new cooperative group within the US. This includes the GOG, the RTOG and the NSABP. The Membership Committee recommends that the GOG and the RTOG continue to be recognized as separate and distinct members within GCIG.

New Partnerships/Liaisons:

- 1) ISSTD
- 2) World Sarcoma Network
- 3) Consumers /Advocacy (Quinn)

Requires further discussion (re: Bylaws) within the Membership Committee prior to recommendation to Exec-BoD.

Respectfully Submitted

Gavin CE Stuart, MD  
On Behalf of the Membership Committee
