GCIG CCRN QA:

- 1) UPDATES on potential new sites
 - a. Dr Cheng, Jilin, CHINA **action:** Gaffney
RPC completed; Capability questions/responses need clarification. Site audit at next opportunity. Possibly in conjunction with CSTRO in the Fall of 2016.
 - b. Dr Rasheed and Dr Sadaf, LaHore, PAKISTAN **action:** Mirza
RPC completed; Capability questions/responses need clarification. Dr. Mirza was favourably inclined and he was going to visit next month.
 - c. Dr Fernandez, Jose Reyes Memorial Medical Center, PHILIPPINES
Temporarily on hold.
 - d. Dr Tuano, St Luke's Medical Center, PHILIPPINES **action:**
RPC & Capability questions completed. Consider audit when other Philippines site has completed paperwork.
 - e. Dr Huang, Singapore **action:** Do not pursue.

Too few cervix cancer patients.

- f. Dr Khatun, Dhaka, BANGLADESH **action:** Do not pursue.
Too little understanding of GCIG processes and trial participation.
 - g. India: reversal of government Insurance/indemnity policy?? **action:** Mahantshetty
 - h. Dr Yarney and Dr Vanderpuye, GHANA **action:** Gaffney & Chuang
Capability questions/responses indicate infrastructure needed. On hold. Too little infrastructure at this time. Appears that a HDR afterloader will be installed soon. Dr. Chuang stated that insurance was a significant issue in Ghana.
 - i. Dr Catherine, Zambia **action:** Temporarily on hold.
- 2) Site Visit Review Checklist --- status: no change. **action:** Gaffney & Bacon
