10:45 am	Beverage Break	
PATHOLOGY – Chairs: D.Millan & A.Folkins		
11:15 am	Integrating Molecular Markers into clinical trials	
	Cervix	CCRN - A.Jhingran (G-GOC) for L.Mileshkin (ANZGOG)
	Endometrium	T.Bosse (DGOG)
	Ovary (high grade serous & others)	K.Rahimi (CCTG)

12:00 n Minimal Path. Requirements in clinical trials Millan (SGCTG)

12:15pm PANEL DISCUSSION: Berek, Millan, MCNeish, Folkins

DIRECTIONS FOR BREAKOUTS

12:30pm Lunch

1:30pm BreakOut Groups

A. New Imaging Priorities in clinical research – facilitator: McNeish

B. Imaging Guidelines for GCIG Trials – facilitator: Berek & Gaffney

C. New Pathology Priorities in clinical research – facilitator: Millan

D. Pathology Guidelines for GCIG Trials – facilitator: Folkins

3:00pm Beverages

3:30pm Breakout Group REPORTS

A. Rapporteur Report (10 min) & Discussion/Goals (10 min)

B. Rapporteur Report (10 min) & Discussion/Goals (10 min)

C. Rapporteur Report (10 min) & Discussion/Goals (10 min)

D. Rapporteur Report (10 min) & Discussion/Goals (10 min)

5:00pm Conclusions & Future Directions

ADJOURN

6:30pm Faculty debrief meeting
